New Business:

- I. Mike Sturdivant made it clear that the Governing Council does not deal with personnel issues. Rather such issues need to go through the chain of command unless it is an issue that specifically involves the ASMSA Director.
- II. Next, Mike Sturdivant outlined the big project for the year—going through the handbook and identifying what is policy and what is procedure. He then outlined his intention to dole out the responsibility to the various committees and have them develop a numbering/ cross-referencing system to designate and identify policies and the categories under which they fall. He also voiced his intention to charge the committees to have the task completed by the beginning of the Spring semester.

The meeting was adjourned at 1:41 pm.

Submitted by Dan S. Kostopulos, Secretary.
