

Application for Financial Assistance toward ASMSA Global Learning Opportunities

The Arkansas School for Mathematics, Sciences, and the Arts will offer a limited number of grants to ASMSA students who enroll in one of the global learning programs and submit the following application. The purpose of the grant is to help lower the cost of study abroad for students and is part of our commitment to ensuring greater access to these extraordinary experiences.

For the “Florence & Rome Tour,” the student will be responsible for covering the cost of the first \$2,560 of qualifying travel expenses*. For the “Tokyo & Hanamaki Exchange,” and the “Tokyo & Osaka Exchange,” the student will be responsible for covering the cost of the first \$2,500 of qualifying travel expenses. Students are also responsible for costs associated with travel to and from the Little Rock airport, any passports or visas, drinks, snacks, lunches, souvenirs, tips, optional excursions, and other personal expenses. Students should budget ~\$85 to cover tips for tour guides and bus drivers and ~\$50 per day for spending money to cover snacks, drinks, lunches, souvenirs, and optional excursions while on tour.

**Qualifying travel expenses include airfare to and from the destination, lodging, transportation at the destination, entry fees to program museums and other cultural sites, fees for tour guides, as well as breakfast and dinner daily.*

Please note that the awarding of the grant is contingent upon the student returning to ASMSA for the entirety of his or her senior year. Students must not be placed on academic probation following the fall semester of the 2017-2018 academic year. Also, a Level 3 disciplinary violation or greater or considerable academic or residential handbook violations can disqualify a student from receiving the grant at the discretion of the Dean of Academic Affairs.

Interested students must submit a typed application that includes all of the following information. In addition to the standard travel grant, there will be a limited number of full-paid scholarships available that will be awarded based on a combination of financial need and the student’s contribution to the living / learning community at ASMSA. In order to recognize demonstrated commitment to life and study at ASMSA, only seniors will be awarded need-based scholarships. There will be five full-paid scholarships available for the “Florence & Rome Tour,” and one full-paid scholarship available for either the “Tokyo & Hanamaki Exchange” or the “Tokyo & Osaka Exchange.” Refer to the table below to see the price of the tours.
