## **ASMSA VEHICLE USE PRIVILEGES PROGRAM**

ASMSA students whose grades, conduct and work-service are in good standing may apply for limited vehicle use privileges. This policy sets forth the criteria, vehicle use privileges, application procedure, rules, and suspension/revocation of privileges for students using these vehicle use privileges. Privileges may be granted each nine weeks based on the student's record for the previous nine weeks grading period (i.e., at the beginning of each nine weeks grading period the student may apply for privileges based upon his/her performance during the previous nine weeks grading period.) The student meeting the criteria must reapply each nine weeks for vehicle use privileges. The Dean of Students has the authority to approve or disapprove any application for vehicle use privileges. This policy does not effect students' driving home for the weekend. For purposes of this policy, driving and riding as a passenger are the same and are used herein interchangeably or are collectively referred to herein as "use of a vehicle" or "vehicle use." A week begins on Sunday and ends on Saturday. ASMSA reserves the right to amend or repeal this policy at any time. All students with privileges may drive on Fridays and Saturdays until curfew with parental permission and proper paperwork. This will not count against their privileges.

### **CRITERIA TO APPLY**

- a) Minimum Grade Point Average. A student must have a minimum 3.25 GPA for the previous nine weeks grading period at ASMSA, not the student's cumulative GPA.
- b) Disciplinary Record.

  - 2) If the student's GPA for the previous nine weeks is 3.5 – 3.74 with no grade below a C, the student merits two (2) days of vehicle use.
  - 3) If the student's GPA for the previous nine weeks is 3.75 – 3.99 with no grade below a C, the student merits three (3) days of vehicle use.
  - 4) If the student is a senior with a GPA for the previous nine weeks of 4.0 or higher with no grade below a C, the student merits four (4) days vehicle use.
- b) A student meeting the Criteria to Apply may apply for a special permit to drive to and from scheduled off campus activities (sporting, dance, etc.) in which he/she is a participant. The Dean of Students shall have the discretion in granting this privilege and may set such time limits and additional rules/restrictions as are appropriate.

### **APPLICATION PROCEDURE**

### **RULES**

The following rules shall apply at all times with regard to vehicle use privileges. Any violation of the rules will result in disciplinary action for the level of the violation or as otherwise indicated.

- a) Vehicle use is limited to within Garland County. Other than going home for the weekend, students may not leave Garland County (Level 2: Being in an Off Limits or Unassigned Area).
- b) Students may sign out individually if authorized by their parent (Level 1: Failure to Follow a Reasonable Directive).
- c) Students must indicate their destination(s) when they sign out (Level 1: Failure to Meet a Reasonable Directive).
- d) Unless under a special permit, students may drive within the limits of their vehicle use privilege from the time that classes are out until 6:30 p.m. on weekdays, 2:00 p.m. through 9:30 p.m. on Fridays, 1:00 p.m. through 11:00 p.m. on Saturdays, and 10:00 a.m. through 6:30 p.m. on Sundays. Students may not check out on driving privileges earlier than 2:00 p.m. on any class day. Class meetings, mandatory tutoring, etc. take precedence over vehicle use privileges (Level 1: Failure to follow a reasonable directive, with a minimum four-week suspension of privileges).
- e) All students signing out to drive must have vehicle use privileges, regardless of whether driving or riding as a passenger (Level 1: Failure to Meet a Reasonable Directive).

- f) Students must designate when signing out who will drive and who will ride, and may not change drivers without signing back in (Level 1: Failure to Meet a Reasonable Directive).
- g) Students may not sign out in a group larger than the capacity of the driver's vehicle as indicated on his/her vehicle registration form (Level 1: Failure to Meet a Reasonable Directive).
- h) All students who sign out to drive together must sign back in together (Level 1: Failure to Meet a Reasonable Directive).

- j) Each student driving or riding in a vehicle must wear his/her own seatbelt (Level 3: Behavior Potentially Endangering to Self or Others, with a minimum two-week suspension).
- k) Upon signing out for vehicle use privileges, the student will receive his/her car keys from the Residence Life Office. Only the designated driver in the group signing out will be given his/her car keys.
- l) Students may drive only their own car (Level 2: Insubordination).
- m) Students may not pick up any person who did not sign out with them (Level 3: Behavior Potentially Endangering to Self or Others).
- n) Immediately upon return to campus and signing in, the student will turn in his/her car keys. Possession of car keys anywhere other than in the Residence Life Office, the student's car, or en route between the Residence Life Office and the student's car is a violation of this policy (Level 1: Failure to Meet a Reasonable Directive).
- o) Students must park their vehicles on the ASMSA campus in their individually assigned parking places (Level 1: Parking in an Unapproved Area).
- p) ASMSA is not responsible for providing a meal for any student who misses mealtimes due to use of this privilege.
- q) The Dean of Students may suspend all vehicle use in case of inclement weather.
